

SHREK

No!

DONKEY

Oh, you leave them out in the sun and they get all brown and start sprouting little white hairs.

SHREK

No! Layers. Onions have layers. Ogres have layers. Onions have layers – you get it?! We both have layers!

DONKEY

Ohhh, you both have layers. You know... not everybody likes onions.

(lightbulb)

Parfaits! Everyone likes parfaits and they have layers! Have you ever met a person and you say, "Hey, let's get some parfaits," and they say, "I don't like no parfaits." Parfaits are delicious.

SHREK

I don't care! Ogres are not like parfaits!

DONKEY

Parfaits may be the most delicious thing on the whole planet.

SHREK

You know, this may turn into the longest day of my entire life.
